The Mitchell Ekedede Brain Injury Foundation was launched on May 27, 2014. For more details about who we are, visit our website at [www.mebif.org](http://www.mebif.org).

On Saturday, March 17, 2018, I will be participating in the Mitchell Ekedede Brain Injury Foundation's Fun Run Walk. The 5K walk will take me from Arawak Cay to Goodman's Bay at 6 AM. The Mitchell Ekedede Brain Injury Foundation's mission is to decrease the incidence of brain injury through education, prevention, and treatment. The main goal is to build a state of the art neuro-rehabilitation center that provides treatment regardless of ability to pay.

**I hope you can help by sponsoring me and that together we can ultimately save lives.**
